### **By Road**

#### **Approaching from the east (inc. Birmingham and Wolverhampton):**

Leave the M54 at Junction 4 and take the first exit onto the A464, Priorslee Road. Continue straight along this road until you come into Shifnal. At the roundabout take the second exit into Shrewsbury Road. Continue to the end of the road and turn right into Bradford Street. The closest car park to our office is accessed via a small access road which you will find between David Webb Hairdressing and Family Shopper, on your right hand side. If you park in this car park then you will see a tall brand new building which you can walk through to via a path that runs alongside a stream. This is our building. If you cannot get parked in this car park or miss the turning, there is another car park which can be found by turning left just before Barclays Bank and the railway bridge, down Aston Street. To find our office from the Aston Street car park, walk back down Aston Street to Barclays Bank and ahead of you should be Victoria Road. Walk down Victoria Road a short way and you will find our office in the newly built block on your right hand side.
