

Parking when visiting Ascendancy

There is a free public car park located to the rear of our office.

Our office is located on Victoria Road, however the car park is accessed via Bradford Street, which is the main shopping street in Shifnal.

To gain access to the car park: There is a small road located in-between the 'Post Office' and 'The Barbers'. Drive down this small entrance and park in any available spot.

Finding our office from the Car Park

There is a public footpath that takes you from the car park directly onto Victoria Road. This path is located in the South West corner of the car park. If you walk down the pathway out onto Victoria Road, you'll see The Forum building and our office directly to your left.
