

What is the Google Analytics training course?

This practical one day hands-on course will teach you what you need to know to get the most out of Google Analytics, the free website statistics tool.

What's covered on the day?

- What is Google Analytics?
- What can you – and should you – measure?
- Accounts, Properties and Views – and Access Rights
- Navigation around Analytics
- Dimensions and Metrics
- Tracking of marketing campaigns
- Tracking enquiries or sales
- Visitors and Demographics
- Understanding how visitors use your site
- Problem-solving case studies
- Customising Google Analytics

What is included?

- One day of training at Shropshire Chamber, Telford TF3 3BA (9:30am – 4.30pm)
- An hour's phone support in the 30 day period immediately following the course (worth £50)
- Our very own 'Google Analytics' training manual (Priceless!)
- Lunch, tea & coffee.

What do I need to bring?

- Yourself!
- A laptop (Don't have one? We may be able to help, give us a shout)
- Ideally, to get full benefit from the course, you should have access to your own Google Analytics
